the Force in accordance with the regulations governing service in such Force;

 - (iii) service in Reserves to the Bermuda Forces aforesaid, but only such commissioned service as may have been rendered while those Reserves performed annual training equivalent to that normally carried out by their parent force or forces provided the officer concerned also performed such training, and that such service has been certified each year as efficient as defined in the regulations of such force;
 - (iv) service in Her Majesty's other Auxiliary Military Forces of the Commonwealth including their Reserves and associated Cadet or Officers' Training Corps, such service in accordance with the regulations under the Royal Warrant of the 17th November, 1952, and applicable to the Force or Forces in which or with whose Reserves or associated Cadet or Officers' Training Corps the service was rendered.
- (b) (i) Half of any time during which an officer may have served, after attaining the age of 17 years, on the active list in the ranks of a Cadet Corps or as a cadet in the Officers' Training Corps in any of Her Majesty's Auxiliary Military Forces of the Commonwealth (including their Reserves), provided that as a cadet he was required to undergo supervised military training and to attain annually a certain standard of military efficiency;

(No service subsequent to the 7th April, 1949 may count as double qualifying service). A period of two months or more efficient embodied service between 2nd September, 1939, and 7th April, 1949, occurring in any calendar year reckoned from the 1st January will be allowed to count as the equivalent of efficient service for that year;

- (ii) commissioned service during the period 4th August, 1914, to 31st December, 1921, and/or 2nd September, 1939, to the 7th April, 1949 (inclusive) in the Royal Navy, the Regular Army, the Royal Air Force or any other Permanent Force of the Commonwealth, provided that the officer was granted such Commission between the 4th of August, 1914, and the 11th November, 1918, and/or between the 2nd September, 1939, and 15th August, 1945 (inclusive) and subsequently commissioned into the Bermuda Forces within six months of disembodiment will count as single qualifying service;

- (iv) any period during which an officer of the Bermuda Forces was relegated to unemployment between the 2nd September, 1939, and the 7th April, 1949, otherwise than at his own request, or for redundancy or inefficiency, will count as single qualifying service;
- (v) service in the ranks of the Royal Navy, the Regular Army, the Royal Air Force or any other Permanent Force of the Commonwealth during the period from the 4th August, 1914, to the 31st December, 1921, and/or from the 2nd September, 1939, to the 1st November, 1947 (inclusive), provided that the individual was

commissioned into the Bermuda Forces within six months of disembodiment shall count as half qualifying service.

8 Service qualifying for the Decoration must be continuous except:

- (i) that service in different Auxiliary Military Forces not of the same territory of the Commonwealth shall be deemed to be continuous if any break in service occurring between service in one such force and another does not exceed 12 months;
- (ii) that service in the aforesaid forces of Bermuda shall be deemed to be continuous if any break in service is not due to the individual's own request or to his own fault and does not exceed 12 months;
- (iii) that the periods when the individual is resident in a foreign country or any territory of the Commonwealth where there are no Auxiliary Military Forces shall not be deemed to constitute a break in service provided that he rejoins such a force within six months of his arrival in a Commonwealth territory where such a force exists;
- (iv) that service in the Royal Navy, the Regular Army, the Royal Air Force or any other Permanent Force forming part of Her Majesty's Forces in any part of the Commonwealth or in the Reserves of such forces or in the Reserves of any of Her Majesty's Auxiliary Military Forces in any part of the Commonwealth although inadmissible as qualifying service (save in the circumstances hereinbefore described) will not be reckoned as breaking continuity of service.

9 Applications for the Decoration shall be made in writing to the Governor by the Commanding Officer of the Local Forces (or their Reserves) in which the officer recommended for the decoration is or was serving when he completed the period of qualifying service, supported by a statement of the officers' service in Form A appended to these Regulations, accompanied in each case by a statement certifying that the officer recommended holds (or has held) a Commission in the Bermuda Forces, that he has completed the qualifying period of meritorious service that he is an efficient and thoroughly capable officer of proved capacity, and that he is in every way deserving of the Efficiency Decoration. Applications for Clasps should be dealt with in a similar manner.

EFFICIENCY DECORATION (BERMUDA) REGULATIONS 1965

10 The Decoration will be awarded on the authority of the Governor and a notification of its award will be published in the Bermuda Government Gazette. A register of awards of the Decoration will be kept at the Headquarters of the Bermuda Regiment.

11 When the Decoration has been lost and it is desired to replace it a declaration must be made before a magistrate stating the circumstances under which the loss occurred, and the rank, name and Corps of the officer to whom the Decoration belonged. This declaration shall be forwarded to the Governor through the usual channel of correspondence in the case of an officer who is still serving and direct in the case of an officer who has retired, and if the explanation as to loss is considered satisfactory the Decoration will be replaced on repayment being made by the officer to cover the cost of the Decoration.

12 (1) A recipient of the Decoration who is convicted of a criminal offence, or who is dismissed or removed from his Corps for misconduct shall forfeit the Decoration unless the Governor shall otherwise direct.

(2) A Decoration forfeited under the provisions of the foregoing paragraph may be restored by the Governor at his discretion.
