(2) Save as aforesaid, all sums borrowed under this Act shall be appropriated and applied to the expenses connected with the Belize Defence Force.

6.- (1) The loan hereby authorised, or any part thereof, may be raised in Belize under the provisions of the Local Public Loans Act by the issue of Defence Bonds with a maturity period of up to fifteen years.

1 This Act came into force on the 20th day of December, 1993, the day it received the assent of the Governor-General.
(2) The expression “debentures” appearing in the said Public Loans Act shall be deemed to include Defence Bonds referred to in subsection (1) above.

8.- (1) So long as any of the Defence Bonds remain outstanding the Minister shall, in each half-year ending with the day on which the interest on the Defence Bonds falls due, appropriate out of the Consolidated Revenue Fund and assets of Belize a sum equal to one half-year’s interest on the whole of the Defence Bonds issued, including any which may have been redeemed.

(2) The Minister shall also in the half-year ending on the date specified in the terms of issue of the loan as that on which the first contribution to the sinking fund shall be taken and in each subsequent half-year appropriate out of the Consolidated Revenue Fund and assets of Belize for the formation of a sinking fund an additional sum equal to one-half of the annual contribution to be decided upon by the Minister on the issue of the loan.
