3.- (1) Every application for registration under this Act shall be made in writing to the Council specifying the nursing home in respect of which the applicant desires to be registered. Such application shall contain the name and address of the nursing home, and the name and address of the applicant in respect of the nursing home named in the application.

8.- (1) Before making an order under this Act refusing an application for registration or an order cancelling any registration, the Council shall give to the applicant or to the person registered, as the case may be, not less than fourteen days’ notice of its intention to make such an order, and every such notice shall state the grounds on which the Council intends to make the order, and such notice shall contain an intimation that, if within fourteen

12.- (1) Every person registered in respect of a nursing home under this Act shall submit to the Director of Health Services in the month of December in each year, on such forms as the Director of Health Services shall supply for the purpose, a report in respect of the operation of the home during the previous twelve months.

(3) The Director of Health Services may, in writing, permit any nursing home to have more beds than is prescribed in this section, if he is satisfied that any particular emergency exists which justifies his granting such a permit.
