The Government of the United States may request the Government of India to restrain exports of such handloom apparel products. Upon receiving such a request, the Government of India will restrain exports of such products to the requested level which shall not be lower than the highest level of such imports in any agreement year prior to the date of this Agreement.
18. With regard to total exports of certain types of apparel, the Government of India agrees it will not depart substantially in any agreement year from the pattern of exports in the 1975-76 agreement year. If the Government of India wishes to depart from the previous trade patterns for any individual apparel product, it may request consultations with the Government of the United States, but will not depart from the pattern of trade pending a mutually satisfactory conclusion of these consultations.
19. The Government of the United States of America and the Government of India agree to consult, upon the request of either Government, on any question arising in the implementation of this Agreement.

20. The two Governments agree to undertake a major review of this Agreement between the second and third agreement years.
21. Either the Government of the United States of America or the Government of India may at any time propose revisions in the terms of this Agreement. November 10, 1978

Mr. R. K. JERATH
Minister

Washington, D.C. 20008

Dear Mr. JERATH

I refer to the agreement between our two Governments relating to trade in cotton, wool and man-made fiber textiles, with annexes, effected by exchange of notes December 30, 1977, as amended (the "Agreement"), and to recent discussions held in Washington, D.C. between representatives of our two Governments. As a result of those discussions, I propose that the Agreement be amended as follows:

1. During each agreement year under the Agreement, exports from India to the United States of America of cotton apparel products of the types classified in categories 336, 338/339/340, 341 and 347/348 shall be subject to specific limits, as adjusted pursuant to paragraphs 2 and 3 below. The specific limits for such products for the first agreement year, and the percentage by which each such limit shall thereafter be increased over the corresponding limit for the prior agreement year are:

Product	Category	Specific Limit, Annual	
		First Agreement Year (dozens)	Growth Rates
Dresses	336	168,190	78
Knit shirts	338/	919,315	38
and blouses;	339/		
Mens and	340/		
Boys			
(not knit)			
Blouses	341/	2,012,117	38
Trousers	347/	106,148	58

348

2. During any agreement year, total exports of products referred to in subparagraph 1 from India to the United States of America shall not exceed the sum of the limits for such agreement year, pursuant to paragraph 1 above except as it may be adjusted by paragraph 4 below.
3. During any agrrement year, and subject to paragraph 1 above specific limits may be exceeded by not more than the following percentages:

Category	Percentage
336	7%
338/339/340	6%
341	3%
347/348	6%

Adjustments made pursuant to this paragraph are in addition to those pursuant to paragraph 4 below.

4. During any agreement year, each specific limit and the sum of the specific limits may be exceeded by a maximum of 11% by allocating to such limit an unused portion of the corresponding limit for the previous agreement year (carryover) or a portion of the corresponding limit for the succeeding agreement year (carry forward). Carryover may be utilized as available up to 11 percent of the receiving agreement year's limit; carryover for a specific limit is available to the extent that exports did not exceed the corresponding specific limit applicable to such product during the previous agreement year. Carryover for the sum of the specific limits is available to the extent that total exports did not exceed the sum of the specific limits referred to in paragraph 1 during the previous agreement year. Carry forward for a specific limit may be utilized up to 6 percent of the receiving agreement years's limit and charged against the succeeding agreement year's

corresponding limit. The combination of carryover and carry forward for any limit shall not exceed 11% of the receiving agreement year's limit. Carryover shall not be available for application in the first agreement year. The limits referred to in this paragraph are those set out in paragraph 1 above and are without any adjustments pursuant to paragraph 3 above. Carryover and carry forward are adjustments additional to adjustments made pursuant to paragraph 3 as calculated on the paragraph 1 limits above. A "limit" is a specific limit or the sum of the specific limits, as the context requires. The Government of India will inform the Government of the United States of America of carry forward to be applied; carryover will be applied after agreement between the two Governments on the amounts available.

5. The provisions of this amendment shall supersede any inconsistent provisions of the Agreement.

If the foregoing proposal is acceptable to the Government of India, this letter and your letter of confirmation on behalf of the Government of India shall constitute an amendment to the agreement.

Sincerely
