OF INDIA AND THE GOVERNMENT OF THE
SOCIALIST FEDERAL REPUBLIC OF
YUGOSLAVIA REGARDING THE
UTILISATION OF ATOMIC
ENERGY FOR PEACEFUL
PURPOSES**

Bombay, 16 March 1979

The Government of INDIA

AND

The Government of the Socialist Federal Republic of YUGOSLAVIA,

OPERATING through the Indian Atomic Energy Commission and the Federal Committee for Energy and Industry respectively, hereinafter referred to as AEC and Committee;

RECOGNISING the need for cooperation between the two countries in matters relating to peaceful uses of nuclear energy which may be developed by bilateral collaboration in the field of exchange of scientists, scholarships, acquisition or exchange of material, promotion and exchange of information or results of researches;

FURTHER RECOGNISING that such cooperation must be in conformity with internal legislation in India and Yugoslavia and also with any international agreement signed by either government;

HAVE AGREED as follows :

Article I

The Contracting Parties will exchange information on research and experiments in the peaceful uses of Atomic Energy except information of a classified nature or any information which either Party is not free to exchange because it has been obtained from or developed in collaboration with a third party.

1. Came into force on 15 September 1980.

Article II

The Contracting Parties will, on the basis of reciprocity, offer fellowships and scholarships for the training of the scholars and promote visits of scientists and technicians in subjects of mutual interest for such period of time as may be mutually agreed upon by the Parties.

Article III

The Contracting Parties will arrange for the lease or sale of material and equipment necessary for the fulfilment of their programmes of development of nuclear energy for peaceful purposes in accordance with specific agreements that may be reached in future between the AEC and the Committee.

Article IV

The Contracting Parties will cooperate in the development of specific projects of mutual interest in such manner as may be mutually agreed upon from time to time.

Article V

The representatives of the AEC and the Committee will meet whenever necessary to discuss and coordinate the projects including questions involving cooperation of an industrial nature and any other problems which may arise in the implementation of the present Agreement.

Article VI

This Agreement will be in force for a period of 5 years from the date of exchange of Instruments of Ratification.

- (a) This Agreement shall be subject to ratification. It shall remain in force for a period of 5 years from the date of exchange of Instruments of Ratification. The Contracting Parties may renew the Agreement for such periods as may be mutually agreed upon.
- (b) This Agreement may be terminated at any time by either Contracting Party and the termination shall be effective six months after the date of notice in writing to the other Party in that regard.
- (c) In the event of the termination of this Agreement, the contracts concluded and projects undertaken within the framework of this Agreement will remain in force for the period for which they were originally contemplated unless otherwise agreed upon by both Parties.

IN WITNESS WHEREOF the duly authorised Representatives of the Contracting Parties have signed the present Agreement.

DONE IN duplicate at Bombay, this 25th day of Phalguna of the Saka year one thousand nine hundred (corresponding to the 16th day of March one thousand nine hundred and seventy nine), in the Hindi, Serbo-Croatian and English languages, all the texts being equally authentic.
